Important Information

AFLW Matches at Unley Oval

Sunday 15 September

Sunday 22 September

Dear Resident/Business Owner

This letter is to provide you with details regarding the upcoming AFL Women's League games at Unley Oval as part of the 2024 NAB AFLW season.

The following two matches have been scheduled:

Round 3 – Sunday 15 September 2024 – Adelaide Crows v Hawthorn Hawks, 12:35pm

Round 4 – Sunday 22 September 2024 – Adelaide Crows v Essendon Bombers, 12:35pm

Entry is \$15 for adults and children under 18 are free. We encourage you to come along to enjoy this family-friendly community event.

Consistent with previous years, access to the Oval will be restricted from 9am the day prior to each match until 7.30pm on match day, to allow the grounds to be prepared for each match. Following the conclusion of each match the Oval will be available again for community access.

On each match day portions of Oxford Tce and Trimmer Tce will be closed and parking restrictions will apply in areas surrounding Unley Oval. Please make note of these by referring to the map overleaf.

Parking permits will only be issued to players and match officials. Residents who rely on street parking in these areas will need to move their vehicles and not park in zones marked in blue, red or orange or risk a fine.

Practice Match – Sunday 18 August 2024 – Adelaide Crows v Carlton Blues, 1pm

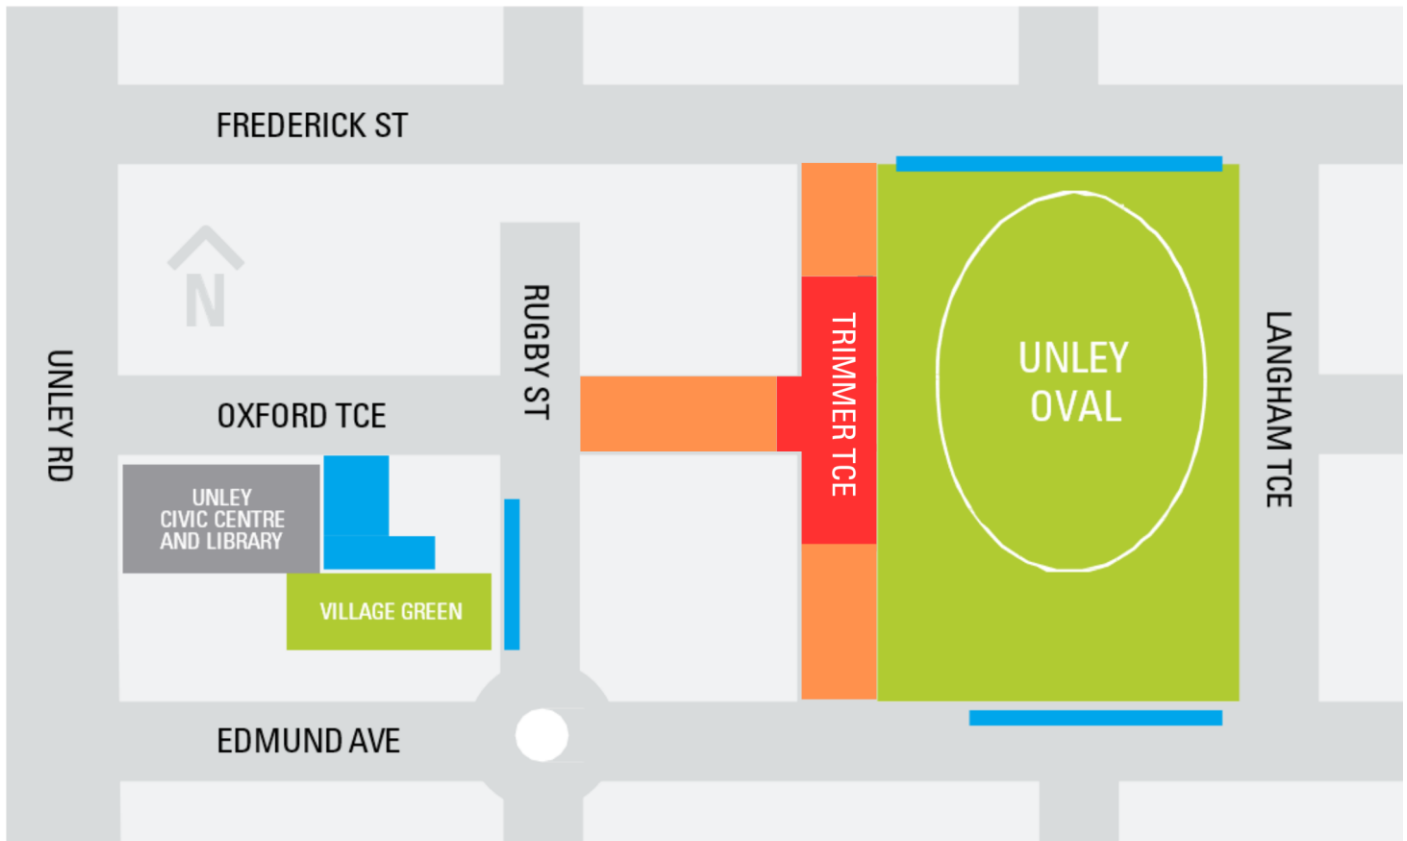

In addition to the above two matches, there will be a Pre-Season Practice Match, on Sunday 18 August. The practice match is un-ticketed and community members are most welcome to come and support the teams. There will be no road closures for the practice match. Minimal parking restrictions will apply surrounding Unley Oval and residents are encouraged to observe the parking signs.

If you require more information, please call the City of Unley Customer Service team on 8372 5111.
